

395 Express Lanes Construction Update – April 2018

Construction activities continue in the I-395 corridor between Edsall Road in Fairfax County to Eads Street in Arlington County. The following activities are what the surrounding communities can expect in the upcoming weeks:

- Removal and replacement of barrier between existing HOV lanes and northbound general purpose lanes along I-395
- Installation of duct bank and conduit in the existing HOV lanes
- Installation of sound walls along southbound I-395 between Seminary Road and Duke Street
- Installation of temporary barriers for traffic shift in anticipation of construction activity to widen the southbound I-395 general purpose lanes between Duke Street and Edsall Road
- Modifications to the south parking lot on the Pentagon Reservation

Drivers are advised to travel safely and pay attention to on-road signage if traveling in this area during the closure. Visit <http://www.395ExpressLanes.com> to view additional lane closure information and to sign up for e-newsletters and traffic alerts.
